CONSTANCE'S HIGHLIGHTS

OUR LOCATIONS, JEWELS IN THE RAW

Nature has always been our greatest inspiration. An inspiration that guides us in finding rare properties that have kept their original beauty and innate purity. We are proud to share our locations and our dedication to natural luxury with the rest of the world.

OUR IDEA OF LUXURY, THE CHOICES ARE YOURS

Our first wish is to provide a rare and precious commodity to our guests: choice. In all of our hotels and resorts, we offer a great range of restaurants, bars and activities. From golf to spa, diving to climbing and tennis to the wine cellar... Luxury is all about choice.

OUR WAY OF BEING, FRIENDLINESS

Indian Ocean islands are ideal for reconnecting with your loved ones. Our properties and locations are couple and family friendly. Everyone can enjoy different activities and still spend quality time together. Kids can have fun at the Constance Kids Club, while there are also teen specific activities for them to enjoy their independence, wedding venues for lovebirds to take the big leap, honeymoon packages for newlyweds to create their first wedded memories.

OUR CONVICTION, PROVIDE EXCELLENCE

We are proud of our multi-award winning properties. Our luxury hospitality standards have been recognized by multiple independent organisations. Our hotels are part of the World Travel Awards (Indian Ocean's Leading Hotel Brand) and the TripAdvisor awards (Travelers' Choice and Certificate of Excellence) while three of our hotels are also among the Leading Hotels of the World collection. This reflects the guests' high opinion of the luxurious experiences we provide. Our resorts are Green Globe Certified as well – a testament to our commitment to the environment.

OUR SERVICE, THE MAURITIAN SAVOIR-VIVRE

Our roots are Mauritian. Warmth and smiles are in our DNA. We put emotion into everything we do. We truly love people and want them to feel at home. Our service is just like our people, natural and intuitive. At Constance, we have a genuine passion for hospitality.

OUR FOCUS, OUR GUESTS WELLNESS

At all our hotels and resorts, Constance Spa enables you to indulge in moments of pure relaxation of body and mind. Our aim is to focus on your well-being, by combining spa treatments with fitness and nutrition.

CONSTANCE TRUE EXPERIENCES

CULINARY

High-flying, far-reaching culinary spirit: this is the gastronomic imprimatur inherent in the chefs' skills at Constance Hotels & Resorts. With more than fifty restaurants and bars, their talent is expressed in every fashion, every flavour. Original, inventive, skilled at extracting the best from land and sea, Constance cuisines and those who run them are ingeniously and generously tied to the roots, the terroirs, the cultures, and have unfailing instincts, honed through experience of bringing out the best of every ingredient with savvy seasoning and spice.

Good food, well served requires the same in wine. Since 2004 Constance Hotels & Resorts has developed its offers and entrusted his Chief Sommelier and his team with the keys to its cellars spread within its properties. Appropriate selection, accurate pairing and service excellence are the three essential components of the sommelier's craft. A gourmet meal prepared by great Chefs is enhanced by its potential for complementarity with wines on offer. Our sommeliers – these fine gastronomists – understand this more than anyone, and as face-to-face professionals, their time is spent between the winegrower and to guide the customer in their choices. Their passion for sharing has a major part to play in prestigious establishments such as Constance Hotels & Resorts.

Since 2006, the Constance Festival Culinaire has served as an event-tribute to the great departed Michelin chef. Orchestrated by Constance Hotels & Resorts, this one-week culinary festival takes place each year at Constance Belle Mare Plage. The competition associates six Starred Chefs – all holders of one star in the Michelin guide – with six Constance Chefs from Constance Hotels & Resorts' properties. They work hand-in-hand along the week to create unique recipes where the culinary tradition of the Indian Ocean meet with flavours from Asia, Africa and Europe.

The Constance Festival Culinaire has become an anticipated event on the international gastronomic calendar, attracting media from around the world, as well as prestigious sponsors.

The main objective of the Festival is to support exchange, experience as well as the knowledge of the participating professionals. This is how Constance Hotels & Resorts' "Culinary Spirit" spread in the different properties, and how the Constance chefs grow into unmatched cuisiniers.

WELL BEING

With magnificent settings and splendid surroundings, Constance Hotels & Resorts is the quintessential key to letting go and truly living. On the grounds of every Constance Hotels & Resorts' property there is a spa, with décor that helps anchor the spirit further in this faraway feeling, and services that quench the thirst to be pampered and rejuvenated. Décor with an impalpable, yet perceptible, exoticism that is felt from head to toe. By virtue of its luxurious cosmetic, bio-dermal and sophroessential concepts, each Constance Spa offers the best body and facial treatments, the best massages that balance energies and flow in depth. The French luxury skincare brand Sisley collection is exclusively available in our spas and offers a lush range of plant-based phyto-aromatic treatments. Worlds in and of themselves, these spas are made for moments of pampering and well-being, where everything is focused on achieving a true renaissance of body, mind and spirit.

At Constance Hotels & Resorts, we have also at heart the wellness of our guests and to participate fully in this action, we have implemented the "Wellness Wednesday", a special day dedicated to their well-being.

The day starts from early morning until dinner time.

'No mobile – no wifi zones' are set-up in the gardens or on the beach to allow our guests to completely disconnect with their day to day worries. Healthy treats are proposed during breakfast to replace the traditional pancake as well as special dishes at lunch and dinner time. Special activities such as yoga, jogging, meditation and even 'spa specials' are also on the menu during that day.

GOLF

Constance Hotels & Resorts have three 18-hole championship golf courses. The Legend, the first PGA-approved course on Mauritius, opened in 1994. The second, the Links, in 2002. They are both found at Constance Belle Mare Plage. The third, Lemuria, in the Seychelles, opened in 2000 on the island of Praslin, just one year after the ribbon-cutting at Constance Lemuria. Bordered by the crystal clear waters of the Praslin beach, it is the only 18-hole golf course in the Seychelles. At Constance Belle Mare Plage, Constance Prince Maurice and Constance Lemuria, those who adore that little dimpled ball will, like ocean lovers, find their every satisfaction.

Since 2009, Constance Belle Mare Plage and in 2018 Constance Lemuria have joined the European Senior Tour, now called the Legends Tour in collaboration with the Mauritius Commercial Bank (MCB) to host each year the MCB Tour Championship. The Legends Tour season since 2018 ends in a unique MCB Tour Championship double stage; at both Constance Belle Mare Plage in Mauritius and on the exquisite golf course of Constance Lemuria on the island of Praslin in Seychelles.

This affiliation has offered us the opportunity to position Mauritius and the Seychelles as golfing destinations as well as welcoming in our properties and on our golf courses elite professional golfers that have built a solid reputation in this field.

We have welcomed till now golf legends such as Sam Torrance and Colin Montgomerie from Scotland, Tom Lehman from the US, David Frost from South Africa, Ian Woosman from Wales, Costantino Rocca from Italy to name a few.

TRUE BY NATURE

It is neither a slogan, nor a motto, nor a tagline. It is simply the truth. A mantra behind which Constance expresses its notion of natural, human-centric luxury and conveys its unwavering intention of making each of its establishments a full-fledged, spontaneous community. The people at the heart of everything, with their hearts in their work: excelling to ever surprise customers who ask only to be surprised, remembering that moment to come back and live it again, and better; the men and women of Constance have crafted a high-fidelity world in which the welcome, service, friendliness and smiles are unforgettable by design. Beyond this solicitous hospitality executed and experienced to the utmost degree, Constance is also founded on an epicurean identity symbolised by gastronomy, borne by its award-winning chefs and sommeliers. Unmatched anywhere in the Indian Ocean.

Constance Hotels & Resorts is neither a group nor a chain nor a brand.

Constance is a *Maison*, a house.

A house open to all, a house of stars, suns, moons, zodiacs, heavens and horizons.

A matchless *Maison* at water's edge, simply, sumptuously, singularly.

FIVE DREAM DESTINATIONS. SEVEN ISLANDS BLESSED BY THE GODS.
NINE HOTELS AND RESORTS

From the Constance Belle Mare Plage in Mauritius to Constance Moofushi in the Maldives, with ports of call in Madagascar, Seychelles, and Rodrigues, Constance Hotels & Resorts has devotedly sought to invent and reinvent a unique architectural style, one that fully communes with nature and serves as a foundation for an entire world of aesthetic and hedonistic values, set in the intrinsic, paradisiacal, lush beauty of each site and each property.
